D.O.MAR
by Oscar Velasco

*D.O.MAR tastes and smells like the sea.
This is what sets us apart.
The Mediterranean of course, but also
the Atlantic Ocean and the Cantabrian Sea.
D.O.MAR is where our Chef come together
with the Mediterranean.*

*He shows the utmost respect for the ingredients
that are a daily gift from the waters that surround us.
While maintaining his vegetarian and game - meat dishes,
